

# Semiconductors

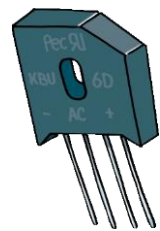

We have a wide range of semiconductors from major manufacturers. Our competitive prices and short lead-times make us your valuable partner.

## Opto components

- LED
- LED array
- Optical sensor products
- Bar graph display
- 7-segment

## Discrete components

- Diodes: Schottky, Rectifiers, Zener
- Protection devices: ESD, TVS
- Transistors

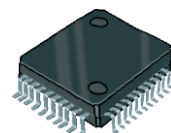

## Integrated circuits

- Power management
- Analogue switches
- A/D converters
- Crystal osc. ICs
- SAW filters
- $\mu$ -processor peripheral ICs
- Communication and RF devices
- Op-amp and comparators
- Motor ICs
- Audio & Video ICs
- LED drivers
- LCD drivers
- Optoelectronic devices

## Additionally:

- Capacitors
- Crystal products
- Electromechanical
- Inductive
- Shielding and thermal
- Coax & RF

We have the expertise – contact us!
