

EC Partner Environmental Statement

REACH: Registration, Evaluation, Authorization and Restriction of Chemical Substances in accordance with regulation (EC) No.1907/2006 regarding electrical and electronic equipment. The regulation requires all companies manufacturing or importing chemical substances into the European Union in quantities of one ton or more per year to register these substances with a new European Chemicals Agency (ECHA).

RoHS 2.0 Directive (2011/65/EU): Restriction of Hazardous Substances. The RoHS Directive restricts the use of Lead (Pb), Mercury (Hg), Cadmium (Cd), Hexavalent chromium (Cr6+), Polybrominated biphenyls (PBB), and Polybrominated diphenyl ether (PBDE) in manufacturing of certain electrical and electronic equipment sold in the European Union.

As an authorized distributor EC Partner AS is aware of and supports the aim of REACH and RoHS in improving the protection of human health and the environment and supports our suppliers in this issue for limiting the use of chemical and hazardous substances in their products. As a distributor we do not manufacture the products we sell but work closely with our suppliers to manage the implications of the directives. EC Partner is able to provide information and documentation made available to us by the manufacturers regarding the material content of the products we sell, or the manufacturing processes used to make these products.

Conflict Minerals

The "section 1502 of the Dodd-Frank Wall Street Reform and customer Protection Act" of the United States of America, request to identify product which contain *conflict minerals*; Coltan (Niobium, Tantalum), Cassiterite (Tin), Gold and Wolframite (Tungsten).

Conflict minerals have an origin in the Democratic Republic of Congo (DRC) or counties which share a boarder to the DRC (Angola, Republic of Congo, the central African Republic, the Sudan, Uganda, Rwanda, Burundi and Zambia.)

EC Partner confirms to its customers based upon information provided by their suppliers, none of the products or packaging supplied contains any of the "Conflict materials" as outlined above knowingly.

Oslo, September, 2016

Managing Director, EC Partner
